

**The 17th International Conference on
Plastination
St. Petersburg, Russia
July 14 - 18, 2014**

Dear Colleagues and Friends,

I am happy to invite you to the 17th International Conference on Plastination that will be held in **St. Petersburg, Russia** from **Monday, July 14 to Friday, July 18, 2014**. This international meeting is very important for the continued growth of plastination and anatomical research. I am pleased that the conference will be hosted by our company – International Morphological Centre.

Registration for the conference is available until **April 30, 2014**, on the conference web site where you will also find a preliminary schedule, travel information and instructions on how to submit an abstract. In addition to a full scientific program, we have also planned a rich social program for both conference participants and accompanying persons.

I urge you to visit the official website of the conference (<http://icp2014.anatomia.ru>) as soon as possible to register for what I hope will be a dynamic 17th International Conference on Plastination. If you have questions about the conference and/or registration, please do not hesitate to contact me at: info@anatomia.ru

With best regards,

Dr. Dmitry Starchik
International Morphological Centre
