Notwithstanding the above, the Contributor(s) or, if applicable the Contributor's Employer, retain(s) all proprietary rights other than copyright, such as

- l) patent rights;
- m) to use, free of charge, all parts of this article for the author's future works in books, lectures, classroom teaching or oral presentations;
- n) the right to reproduce the article for their own purposes provided the copies are not offered for sale.

However, reproduction, posting, transmission or other distribution or use of the article or any material contained therein, in any medium as permitted hereunder, requires a citation to the Journal and appropriate credit to the publisher, suitable in form and content as follows: Author(s). Title of article. Journal title. Year of Publication; Volume: pages.

All materials related to manuscripts, accepted or rejected, including photographs, original figures etc., will be kept by Publisher for one year following the editor's decision. These materials will then be destroyed.

I/We indemnify Publisher and the Editors of the Journals, and hold them harmless from any loss, expense or damage occasioned by a claim or suit by a third party for copyright infringement, or any suit arising out of any breach of the foregoing warranties as a result of publication of my/our article. I/We also warrant that the article contains no libelous or unlawful statements and does not contain material or instructions that might cause harm or injury.
